2020 SONICARE SOLUTIONS

Sonicare Solutions is an aerospace and electronic components supplier with head office in Florida USA. I worked on giving their website a more modern look and improving their site's technical SEO.

KIP EDUCATION CIC

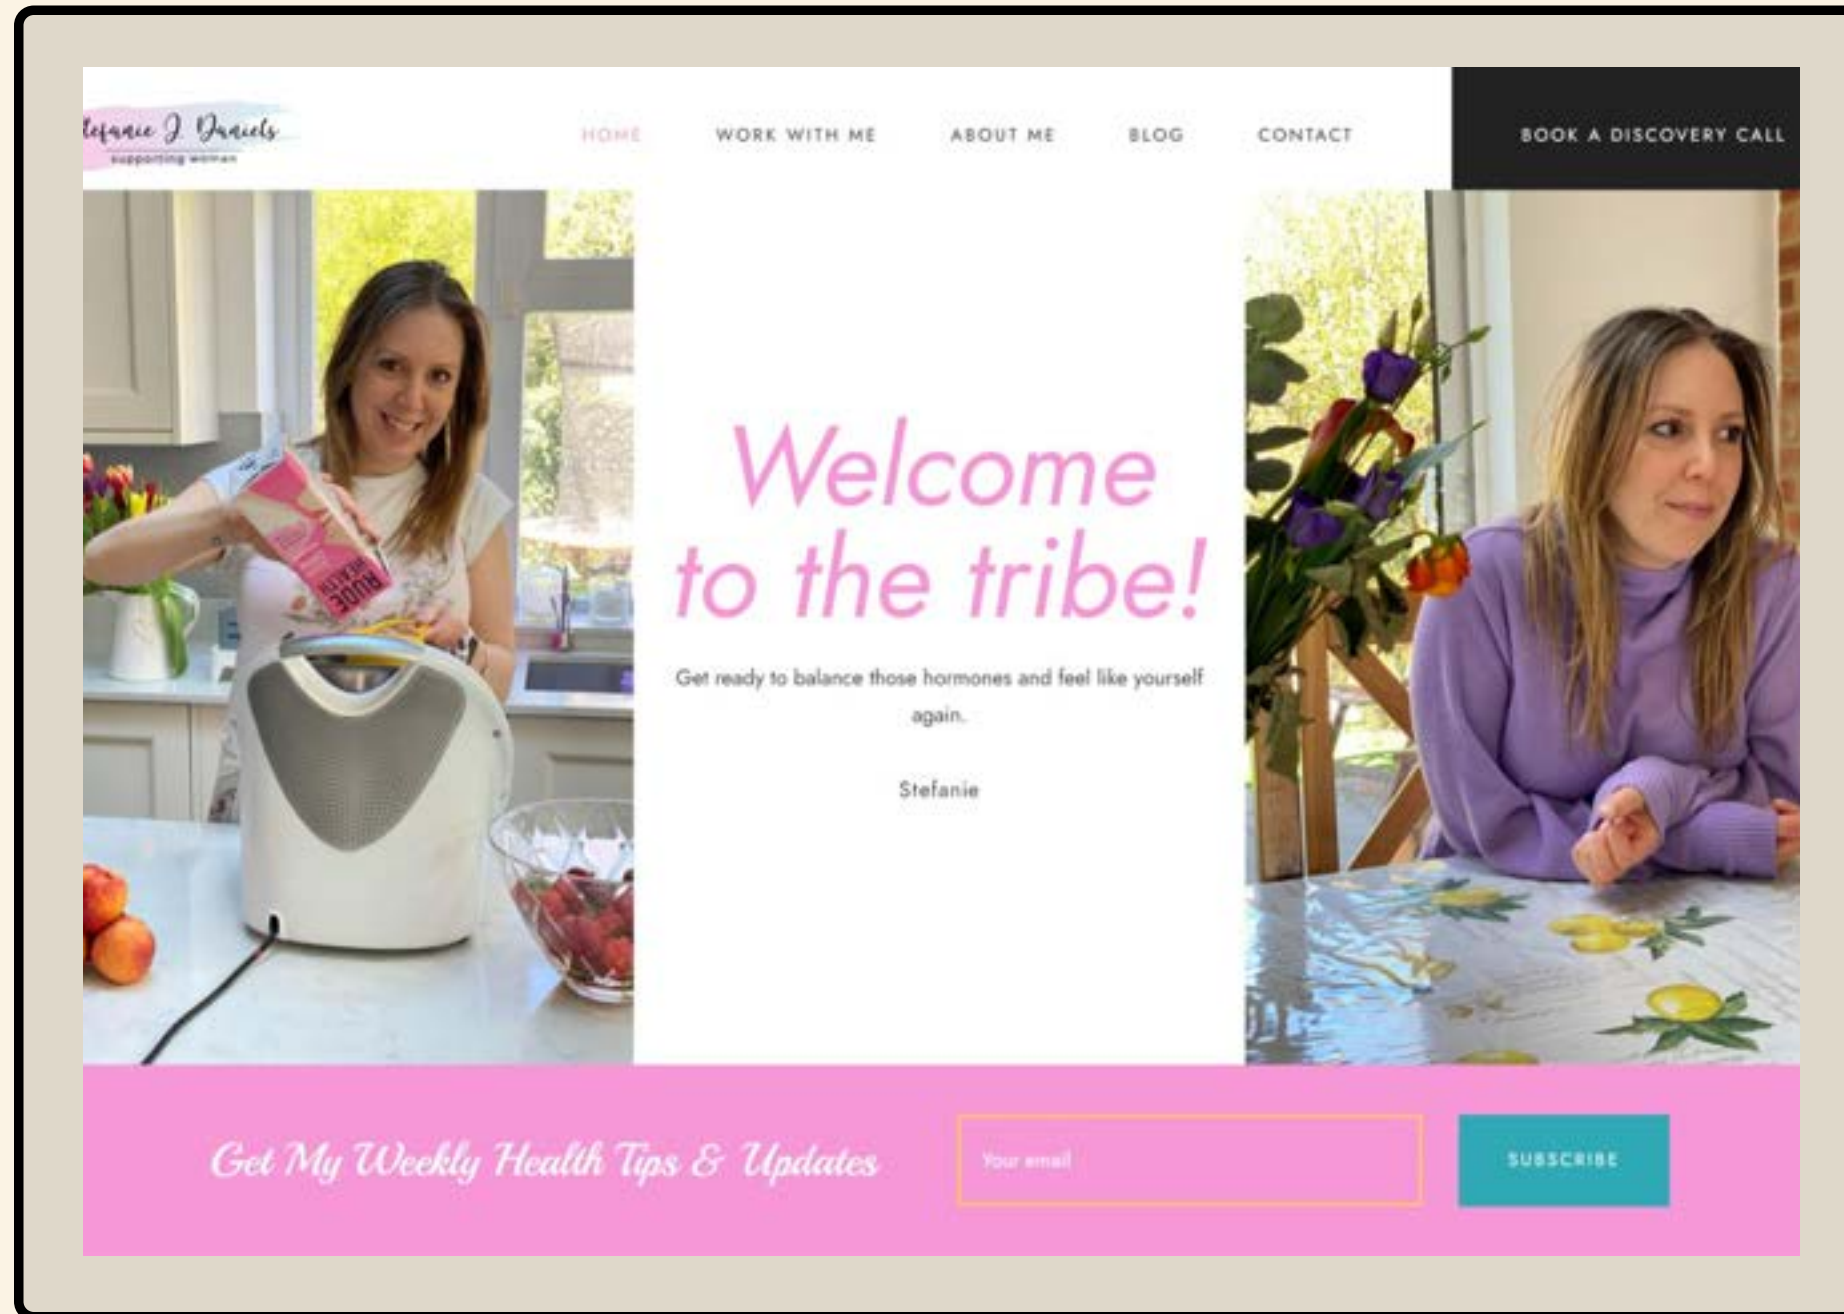

KIPEDUCATION.COM

KIP Education CIC, a training institute in the UK contacted me to design their website based on an expertly laid out content architecture. A superb, SEO-optimized website was delivered. And we have been partners since.

COMPANY HEALTH

Company health is an Allerød, Denmark based startup that helps businesses improve the health of their staff. I helped rebuild their website, and improved their site's technical SEO.
